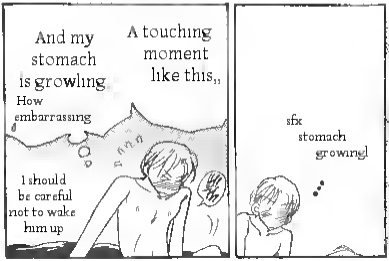
Today morning,
In his bed

Wow!
Chizuka is sleeping beside me!

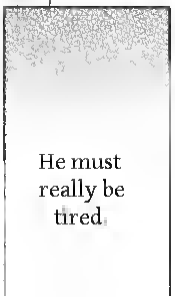
gulp
Chizuka...
The shape of his ears are pretty
His skin is clean
He has long lashes...

Last night,
I...
Slept in
his arms.
It was like
a dream



And my stomach is growling
A touching moment like this,,
How embarrassing
I should be careful not to wake him up
sfx stomach growling!

It was like a dream.



He didn't sleep recently because of work,
But he came to see me.

It's a big room.
I didn't see much last night
That's expensive looking furniture
There's no tooth brush
Right,
Or briefs to wear
What should I do?
I can't go through things in other people's house
Doesn't he use them?
I don't see anything, not even cups

Let's go to the convenience store and buy things.
Friday

I'll come back, Chizuka.

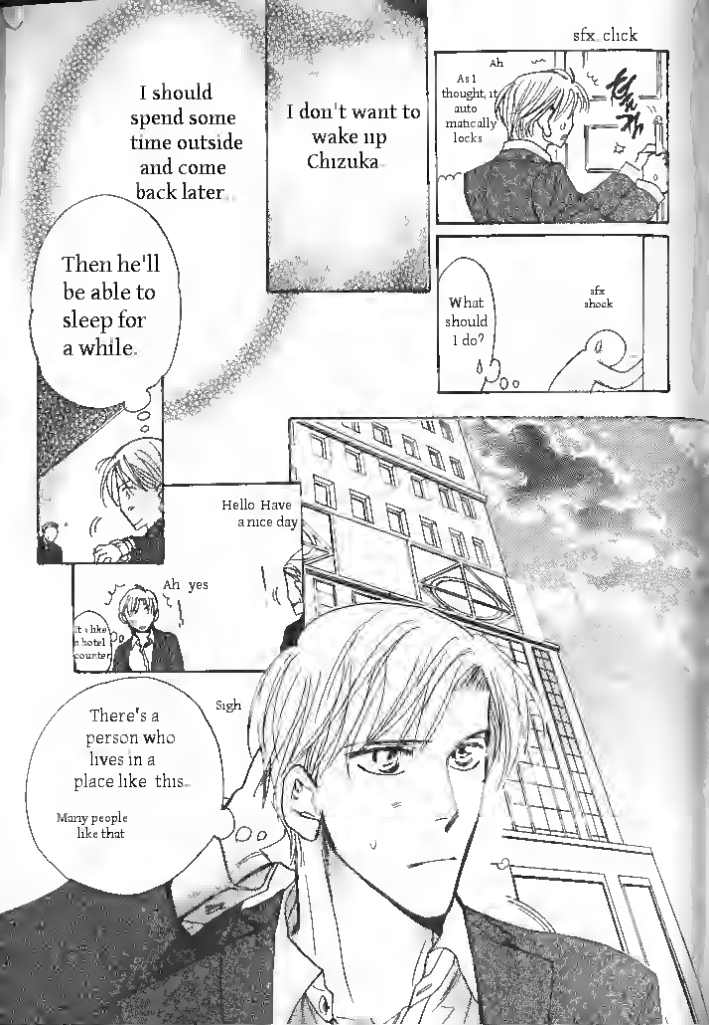
Someone could live in the doorway.
It really looks like a hotel.
What is this mansion
Any way,



I should spend some time outside and come back later
I don't want to wake up Chizuka

Many people like that

A succ essful person like him
He said his work is related to computers

There's a banana, so let's buy a yogurt-
(Let's see,
Let's think about something else.
In a convenience store, early in the morning
I... I thought about it and now I'm excited.

It's like a dream.
Welcome. Do you like bananas that much?
Chizuka!
What color should I choose?

Chizuka!
Ah

No, it's merchandise.
I dropped it.
No no
Thank you-
Chizuka

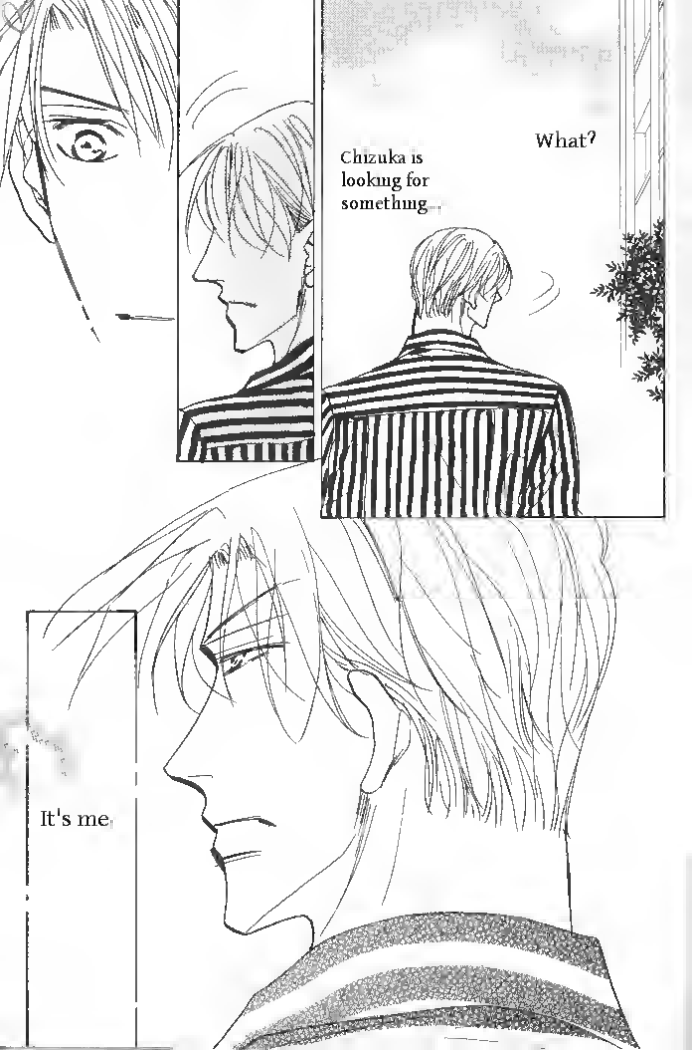
Huh?
Come to think of it he's quick on his feet
Ah
Sound Bird
He's already there.



What?
Chizuka is looking for something...
It's me.

Came to
find me.

He looks like he came to find me in a hurry.

He only wore his shirt

He didn't brush his hair.

I'm not leaving without saying anything

Why?

Chizuka,

For me,

Chizuka!
This is really...

A happy
morning

Afterword

Hello, it's nice to meet you. Thank you for reading "Tomorrow, in His Bed". I've been working as a manga artist for a few years now. This book is the first time I continued to draw suits throughout a volume. When I was drawing manga as a hobby, I only drew salary men. This made me remember those times. Chizuka and Namihira are... salary men... Chizuka's work isn't mentioned in the manga.

When I was making their story, I spend time in a cafe near people observing the atmosphere inside. I thought that I hated places with a big open space, but I find that's not true anymore. When I was serializing this manga in a magazine, I found a few good cafes.

I'm worried that I have more things I like every year...

Then I hope we see each other again. Thank you!

No way
I wasn't going to leave without saying anything
You left with only a memo before
And it's right for me to follow my prey when I see it running away
Eek!
